

## SUNZ Insurance Company Announces New product offering for PEO Clients

In our continued efforts to expand our services offerings to our clients, we are pleased to announce that we can now offer General Liability, Auto, Property, and Umbrella coverages through 11 preferred markets. With our new program your clients will have access to some of the best carriers available utilizing the convenience of pay period based payments.

### Benefits to the PEO:

- Retention is as much as 60% higher when combining insurance coverages.
- The PEO does not have to reconcile the premiums as they do for most health or life programs- they just send a download of the name of the client and the amount of money collected.
- Greater ability to compete with the "larger PEO's" that offer the combination of products.
- Established call center to answer questions, track premiums and payments, if needed, advise clients about the program before PEO sales person closes the deal.

### Benefits to the client:

- Convenience of paying their insurance weekly.
- Interim audits to avoid large additional premiums at audit time.
- Comparison of their insurance coverage through 11 preferred markets.
- Toll free call center.
- Ability to insure liability, property, automobile, equipment and life insurance with pay period based payments.
- Immediate issuance of certificate of insurance.
- One stop shopping for insurance and once a pay period payment benefit.

At SUNZ Insurance Company our goal is to provide the best service and best programs available for our insureds. This new program is sure to be an important addition to your benefit offerings for your clients.
