

SUNZ INSURANCE COMPANY
Announces Their Enhanced
Anti-Fraud Unit / Special Investigative Unit (SIU)

With insurance fraud costs exceeding \$50 billion a year, SUNZ Insurance Company has taken many pro-active measures to counter this growing problem, including the expansion and enhancement of our **Anti-Fraud Unit & Special Investigative Unit (SIU)**.

We are pleased to announce that RSight Investigations, Inc. (www.rsight.com) has been selected, designated and State approved as the authorized Special Investigative Unit (**SIU**) for all special investigative concerns for SUNZ Insurance Company.

Glen J. Distefano, Chief Operations Officer of SUNZ Insurance comments, "Our expanded SIU program and partnership with RSight will provide the special resources necessary to aggressively investigate and deter fraud. Our enhanced program will empower our staff to better identify, examine, and prosecute insurance fraud."

The Anti-Fraud Unit/SIU Department has been charged with a number of responsibilities, which include:

- Investigative Services
- Claimant Fraud Detection & Prevention
- Payroll and Certificate of Insurance Fraud Detection & Prevention
- On-Site Consultation with Established Office Hours
- Fraud Feasibility Analysis & Reviews
- State Fraud Referrals
- State Compliance & Reporting
- State Approved Continued Education Training (CEU)

"We are very excited about the commitment SUNZ Insurance Company has put forth to address the serious issue of insurance fraud. RSight will absolutely deliver the finest SIU services that will positively impact SUNZ Insurance Company's overall performance. The clients and employees of SUNZ Insurance Company will be very well served. We are excited about the future," said Stephen Cassell, President of RSight.

Effective fraud management is part of the necessary fundamentals required for good claims adjusting. This value-added benefit will continue to ensure the highest level of claims handling and service available.
